

Filip Komorowski

Profile

I am a resourceful and dedicated first year student of Computer Science and Mathematics at the University of Wrocław with strong analytical skills and a serious work ethic. Adept at working well with others and eager to learn new things. I would love to get hands on experience in form of a summer internship at such a renowned company as yours.

Education

University of Wrocław, Wrocław

October 2019 — July 2022

I am studying at the University of Wrocław for my BS in Mathematics and Computer Science.

Relevant Coursework: Efficient Implementation of Algorithms, Object Oriented Programming, Programming in C, Artificial Intelligence, Structure and Interpretation of Computer Programs, Advanced Calculus I & II, Algebra

Nøtterøy videregående skole, Nøtterøy

August 2017 — June 2018

After my second year of high school I went on an exchange year at Nøtterøy videregående skole in Norway.

High School no 3

September 2015 — May 2019

I attended a Mathematics and IT oriented class, with individual lessons in **algorithmics and data structures**.

Achievements

Norwegian Olympiad in Informatics

2018

I took part in Norsk Informatikk Olympiade where I managed to get to the national finals and finished in **8th place** out of 328 participants.

National team programming competition, Gdynia

2015

Me and my team in our last year of junior high school got **6th place** out of close to 100 teams in a national programming competition.

Extra-curricular activities

IT Workshops at the Institute of Computer Science, Wrocław

2016 — Present

I have taken part in many week-long programming workshops organized by the Institute of Computer Science at the University of Wrocław, where I solved problems that required knowledge of **algorithms and data structures**.
