AI4Games 2021
Exercise 5
Project Proposals

3 points
Deadline: 24.12

Project proposal [3p.]

Projects should be made in groups of 2-4 students. Some propositions for the topics can be found on SKOS[1]. One person from each group should send a pdf with a project topic, its short description, and the names of all group members.

We will discuss sent proposals later, during the consultation time.

The maximum for project is 18 points. The deadline for the project presentation will be the end of the semester.
